23 November 2016  
Youth Commission  
Masayasu Kametani

## **1. OBJECTIVES**

Since Karate has been included in the Olympic Games Tokyo 2020, as an additional sports program, we will aim at spreading the fundamental values of sports and Olympic movements. It is very important to promote core values such as the unity of sport, culture and education through Karate among the young people who carry an important role for a better future of Asia.

## **2. PROPOSALS**

(1) Produce many Olympians from the Asian Federation through the organization of open youth camps for education.

(2) Organize open lectures and seminars by champions in order to create opportunities to meet the top athletes from all over the world and to listen to their experiences.

(3) Promote Anti-doping education; to deepen young people's understanding through WADA program.

(4) Strengthen the cultural exchange: foster friendship and mutual respect through the exchange between athletes.
